PERSONAL:

I enjoy traveling with my wife, Theresa, and exploring new places. We had the privilege of living in Madrid, Spain for two years and were lucky enough to visit many countries while there (Ireland is my favorite). I very much enjoy listening to music and attending live shows. I want to take up woodworking as a hobby once my wife and I buy a home and I have some space in which to work. I have performed four weddings for friends and will do my fifth in Austin 2016.
